# EBSCO Public Session: Introduction into the new user interfaces

October 9, 2024

# Webinar Agenda – Live Demo

- Easily conduct targeted searches and apply enhanced filters
- Work with the full text of articles
- Cite and export citations into your favorite citation tool
- Create notifications on new content matching your search criteria
- Systematize your work by creating Projects
- Look up journals and set up journal alerts
- Find additional resources on the new interfaces

# Useful resources
