

An Overview of Distance Learning Provision

<http://www.ilrs.mdx.ac.uk>

Elements to be covered

- Who are the users?
- What are our objectives?
- What do we provide?
- Do we meet our objectives?
- The future

Who are the users?

- Students on courses validated as distance learning
- Work based learners
- Professional studies students

Work based learners

- build on experience gained in their working lives
- may be awarded qualifications between a Diploma to a Doctorate
- are each unique
- have unique needs

User characteristics

- May be new to academic work
- will require access at any time
- may feel isolated
- may be studying any subject
- may be located anywhere worldwide
- English may not be their first language

What are our
objectives?

For Users

- easy to understand
- useful at all levels
- easy to access
- available at all times
- cheap to use
- help available when required

For Staff

- Easy to provide
- clear organisation
- little repetition of material
- variable levels of technology

What do we provide?

Entitlements

- Photocopies of chapters and journal article from MX collection
- photocopies of articles from non-MX collections
- UK students may borrow 12 x 28/14 day loans
- non-UK students may borrow 12 x 28 day loans

How do we provide it?

Stage 1 - registration

- Contact through offer pack
- students access web page
- online registration
- staff check status
- send relevant IDs and passwords

Services for Distance Learners

This service is available to Middlesex University students on courses which are validated as distance learning by the university, work based learners and MProf and DProf candidates. The service operates from the [Tottenham](#) campus.

To use the service, you must be fully enrolled with the University and registered with ILRS. If you have not already done so, please complete the [ILRS registration form](#) which may be sent by post or as an attachment to an email. **Please note that returning students must repeat this process at the start of each academic year.**

Means of contacting us are:

Post	Telephone/Fax	Email
Distance Learning Support Team Learning Resource Centre Middlesex University White Hart Lane LONDON N17 8HR United Kingdom	+44 (0)20 8411 6068 (staffed 10:00 - 16:30 local time)	TMLRLIB@mdx.ac.uk
	By fax as above	

Many services require IDs and passwords to verify your entitlement. A list of these will be sent by post to those students who register online. Students who register in person should email their request stating their full name, student number and postal address.

Catalogues of Other Libraries

[catalogues libraries](#)

[British Library Public Catalogue](#)
The British Library Public Catalogue includes material in the reading rooms at St Pancras, and the lending collection at Boston Spa in Yorkshire. There are several catalogues and you can search them altogether or individually, eg humanities (1975-); science, technology and business (1974-); music (1980-).

[COPAC](#)
COPAC is a union catalogue that gives access to the merged online catalogues of members of the Consortium of University Research Libraries (CURL). 20 major university libraries currently contribute to COPAC.

[Higher Education Library Catalogues](#)
You can access the library catalogues of higher education institutions through the web pages of NISS. The catalogues are arranged by region, including London, and alphabetically by name of institution. The NISS pages also give access to the catalogues of national libraries and major specialist libraries.

[inforM25](#)
To find out what is available in London, you can search across some of the more technologically advanced higher education library catalogues in the London area in one search, as well as the Union List of Serials (ULS).

[UK Public Libraries Page](#)
Provides access to the catalogues of many public libraries in the UK.

What is *UK Libraries Plus*? Information for Students

UK Libraries Plus is a co-operative venture between higher education libraries. It enables part-time, distance, and placement students to borrow material from other libraries.

In addition, there is a provision for full-time students and for staff to use other libraries on a reference only basis.

Membership is open to higher education institution in the UK and over half are now members. The full list of participating institutions can be found via the buttons on the left.

Entitlement

- Unlimited requests for material from the Middlesex University library collection.
- Photocopies of journal articles not held by the university, subject to the [interlibrary loan policy and procedure for distance learners](#).

Procedure – book chapter

- Use the [library catalogue](#) to find out if the book you require is in stock.
- Make a note of the title, author, date of publication, class number and campus where the book is held and the author, title and page numbers of the chapter you require.
- Enter these details and your own details on the [book chapter request form](#) and send it either by [post](#) or [email](#) to the Distance Learning Support Team. Do **not** use the request option on the catalogue. We recommend that you save the form on our own computer for ease of use in the future.
- If the item is in stock the photocopy will be despatched to you within 5 working days of receiving your request.

Procedure – journal article

- Make a note of the details of both the journal – title, date of publication, volume, part and pages required – and the article – title and author.
- Enter these on the [journal article request form](#). All requests may, in the first instance, be sent by [email](#), but for items not held by the university the signed paper version must follow in the [post](#). We recommend that you save the form on your own computer for ease of use in the future.
- If the item is in stock, the photocopy will be despatched to you within 5 working days of receiving your request.
- If the item has to be ordered from another library, please allow 2 – 4 weeks.

Conditions of use

- All articles are supplied subject to [UK copyright law](#).

Tip

- The details of the requested items will also be needed in the bibliography of any papers which you write. Keep them in a safe place so that you do not have to research them again.

Start Microsoft Word - belgrade... Microsoft PowerPoint - [bel... Photocopy Postal Ser... 11:48

Stage 3 - Acquiring material

For ease, students are advised to:

- save request forms to their own computer
- save completed forms to support bibliography

Stage 3 - Acquiring material

- Staff receive email attachments
- requests material
- send to user
- no charge for photocopies
- books sent by post - issued at the time of posting
- students can view their own accounts and renew online

Do we meet our
objectives?

Students - Ease of understanding

- Plain English
- brief overview
- bold headings
- in logical sequence
- provided contact at the beginning

The bold headings are:

- Means of contacting us
- What does the service offer?
- How do I find appropriate material?
- How do I acquire the material I need?
- Other resources

Students - Useful at all levels

- Provides material in a variety of formats
- provides electronic access to different types of catalogues and databases
- physical access from public library to HE Institution

Students - Easy to access

- Web based
- word documents and PDF files
- ATHENS accounts allow access to most databases anywhere
- physical access to different institutions

Students - Availability at all times

- Web based
- email links allow contact to staff

BUT

- staff availability limited to local time

Students - Cheap to use

- Online costs mostly limited to local costs
- free except for postal return of books
- many pages are quickly downloadable

Students - Availability of help

- Contact through telephone, fax or email
- online documentation

Staff - criteria

- Tasks and responsibilities related to existing ones
- simple process
- accompanying documentation prepared in advance
- use existing resources

Staff - criteria continued

- provide pointers in a logical sequence
- use a variety of technologies

Other services offered

- University email
- biCSS
- documentation
- dialup accounts

Problem areas

- Creating a sense of identity
- providing help
- testing and improving skills' levels

The Future - solutions?

- Training academic staff
- creating virtual communities
- providing information in other forms
- making greater use of a VLE
